Dear Healthcare Provider:

Welcome to our firms' monthly update to Healthcare Providers. We hope to give you interesting and useful information to help you get your bills paid quickly by automobile and workers' compensation insurance companies.

Bill Reimbursement for Slip and Fall Injuries:

Some commercial property owners have a provision called "Med Pay" in their policies. This is essentially a no-fault benefit to injured persons on the property. We have seen benefit reimbursements ranging anywhere from \$1,000-\$5,000. Strict timelines often apply for submission of the bills. If you have a patient treating for slip and fall injuries, utilization of this benefit could be a way for you to receive fee for service reimbursement.

For further information or if you have any questions, feel free to contact me at: EricDoroshow@dplaw.com or by phone: 1-800-632-9230.

Sincerely,

Eric M. Doroshow
Attorney at Law
