WORKERS' COMPENSATION FEE SCHEDULE UPDATE

December 22, 2015

Dear Healthcare Provider:

We just received notice that the Workers' Compensation Oversight Panel voted to accept the recommendation of the Fee Schedule Subcommittee for a uniform 7% reduction below the current fee schedule to be applied to every health care code and service other than anesthesia.

With respect to anesthesia, all applicable codes will be reduced by 27% to bring those codes in line with the current reduction as well as the 20% reduction that was implemented in the January 2015 fee schedule.

These reductions will be reflected in the fee scheduled beginning January 31, 2016. The purpose of these reductions is to meet the 5% reduction in aggregate workers' compensation medical expenses that is required by Title 19, Section 2322B(3)(a).

As always, if you have any questions, please feel free to contact me at 1-800-632-9230, or by e-mail: EricDoroshow@dplaw.com.

I hope you and your family have a wonderful holiday season and we look forward to working with you in 2016.

Thank you.

Sincerely,

ERIC M. DOROSHOW
