WORKERS' COMPENSATION UPDATE

December 8, 2015

Dear Healthcare Provider:

It was great seeing many of you at our recent workers' compensation seminar! We hope that you found it entertaining as well as informative.

I am writing to let you know that the Workers' Compensation Oversight Panel has decided to adopt the ICD-10 Guidelines effective January 31, 2016. Prior to that, they will continue to use the ICD-9 Guidelines.

Please let me know if you have any questions.

As always, if you have any questions or concerns, please feel free to contact me, or any of our attorneys at our statewide offices. Also, be sure to visit the healthcare provider page on our website for news updates.

I hope you and your family have a wonderful holiday season and we look forward to working with you in 2016.

Thank you.

Sincerely,

FRIC M DOROSHOW
